UNCLE SAM AND GREATER AMERICA

THE LEDGER has naught but good to say of Dr. BOWMAN; but just this one time it is for the Rev. THOMAS P. DEGMAN—or any other Mason county man that the majority may favor—for the State Senatorship.

MASON county proposes to stand by a Mason county man for the State Senatorship. She gave way, in the case of Judge HUTCHINS, for instance, and in favor of Mr. PUGH, when it was her turn to nominate; but it appears that our good friends in the "State of Lewis" never knew when they get enough of even a good thing.

THE esteemed Vanceburg Sun is at pains to say that the present State Senator, whose voting place is in Lewis county, was nominated by Mason county. So? Why don't you tell all of it? Do you know that the Senatorial Convention was held on the day that Governor BRADLEY was announced to speak in Maysville? That the Convention was held in the forenoon, and that the candidate for Governor spoke in the afternoon? That the Lewis county "Bosses" came down in person and manipulated matters so as to secure the nomination of the man who lived and voted in Lewis county? And do you know that, as soon as they could get out of the city after accomplishing their work, they hid themselves away, without showing the Republicans of Maysville and Mason county or the candidate for Governor enough courtesy to remain for the speaking? You are entitled to another guess, sonny.

Many people suffer untold tortures from piles, because of the popular impression that they cannot be cured. Tabler's Buckeye Pile Ointment will cure them. It has met with absolute success. Price, 50 cents, in bottles, tubes 75 cents. J. Jas. Wood & Son.

Recent investigations have shown that the principal source of the Gulf Stream is not the Florida channel, but the region between and beside the islands of the West Indies. At Bimini the volume of this warm water is six times as great as the combined volume of all the rivers in the world at their mouths.

As the season of the year when pneumonia, la grippe, sore throat, coughs, colds, catarrh, bronchitis and lung troubles are to be guarded against, nothing "is a fine substitute," will "answer the purpose," or "is just as good" as One Minute Cough Cure. That is the one infallible remedy for all lung, throat or bronchial troubles. Insist vigorously upon having it if "something else" is offered you. Henry W. Ray, adjoining Postoffice.

THE PEOPLE'S FRIEND.

the dealers all complaining, walling thus: "There is nothing in the business any more. Profits are cut down to nothing since The Price Fighter opened in Maysville and Brooksville." Say, the war is over and they don't know it. Our plan is "How cheap can I sell this chair and sell lots of 'em quick?" I just bought 45 dozen Rocking Chairs that have always sold for \$18 per dozen. I bought 'em cheap, so cheap that I find that I can sell 'em to you at \$11.95 each. They are big solid oak cane seat Rocking Chairs with big wide arms, and have always sold for \$2 each. When they arrive I'll send you word and you can come and look at them.

Best two-horse FARM WAGON on earth—\$37 for gears and brake or \$47.25 complete with box bed; lazy back spring seat, anti-spreaders and double brake.

DISC HARROWS as Low as \$15.

We buy Disc Harrows in carload lots, taking advantage of car prices. Then we discount the bill. We can save you money on Disc Harrows sure. Work on the level, leave a clean furrow behind you, so that the seed of a good example will properly prosper. This can best be done by using Belle's Center Cut Disc Harrows. They have thirteen discs, six in one gang and seven in the other, thus cutting out all the center. They leave no hard ridge in the center of the furrow where seed won't grow, as other harrows do. One gang is peculiarly hung behind the other in such a manner as to level up the ground instead of throwing it all away from the center as others do. This peculiarity is patented and last year occasioned twenty-seven law suits. It's a good thing, and everyone's after it. You will be after it too if you ever see one at work. Our business is Disc Harrows—we are right at home there. Come see us.

See our TWO-HORSE CORN PLANTER and CHECK ROWER that winds up its cable while planting the last row. Nothing else like it ever invented.

Our stores are full of curiosities. Always glad to show 'em to you; that's our business.
